

Turn the Waist and Push the Palm

1. Sit in the best upright posture with your arms relaxed by your sides. Let go of any excess muscle tension.

2. Breathe in gently as your forearms slowly raise up to waist level, as though you are supporting a tray.

3. Breathe out as you turn to the left and gently push your right arm out to the side. At the same time push your left palm downwards towards the floor.

4. Breathe in as you slowly return to the centre.

5. Repeat move 3 to the opposite side. Imagine you are pushing open a door. Continue x ____

To finish, breathe out as your arms return to the starting position.
